

Rising Stars in the Light Rail Industry

Launched at this year's Light Rail Conference in Leeds by UK Tram, the Light Rail Transit Association and Mainspring, we aim to encourage entry into and give support to Rising Stars in the Light Rail industry.

The benefits of Rising Star Programme

- Membership of the LRTA
- A digital copy of Tramways and Urban Transit - the leading magazine on Light Rail
- Access to the monthly online talks organised by the LRTA by leading members and supporters of Light Rail and in person meetings organised locally
- Free entrance to the National Tramway Museum at Crich
- A confidential online chat for Rising Star members to discuss
- Further training programmes organised in conjunction with the heavy rail industry

The programme is open to anyone aged 18-35 working in the industry across all departments and disciplines from apprentices to graduates.
